2 In the meanwhile on the Pres^dt's representation that the collection work could not be satisfactorily done without the Patel's help, Govt sanctioned as an experimental measure, the Pres^dt's proposal to dispense with the services (one permanent person) of the temporary peon now on Rs 5/- and to the payment of the amount thus saved as an allowance to the Patel. This arrangement came into force from 24 11 08

3 (At present a Muktadar on Rs 7/- 2 peons on Rs 5/- and the Patel with an allowance of Rs 5/- per month are doing the collection work and this arrangement is to continue till the end of June 1909)

4 The Pres^dt now recommends that a commission of 2% of the collections may be given to the Patel for the work done by him during 1906-07, 1907-08 and during the months from July to end of Oct^r 1908

5 The commission ~~marked~~ claims for 1906-07 when there was no special Rs^s for collection work, seems to be admissible. It has to be verified whether the usual Com of 5% was not paid to the village officials for

done in that year.

6 The claim for commission during the years 1907-8 and 1908-09 is inadmissible as during that period a separate paid establishment also does the collection work.

7 The vernacular papers however show that notwithstanding the special establishment entertained for collection work, the Patel had been an indispensable factor in the collection-work of the Municipality. The Municipal Board on three different occasions recommended the grant of Patelgi to the Patel observing at the same time that without him the collection work would not be satisfactorily done.

8 The amount of octroi, house and inchalsa taxes of the Municipality during the last 3 years is given below:—

	1906-07.	1907-08	1908-09
(i) Octroi	Rs 1,547	Rs 1,695.	Rs 1,529.
(ii) House tax.	1,150	1,040.	1,208
(iii) Inchalsa	1,260.	1,130	1,131.
Total	3,957	3,865	3,859

9 The maximum amount that may be spent on account of establishment charges for collection work is 10%. At this rate a sum of Rs 380 maybe spent on account of collection, the amount now being spent being only Rs 288/- per annum.

Obs. sg 13 The municipal
ojs Council have made strong
and repeated representations
as regards the grant of com
mission to the Patel even after
the temporary establishment
was entertained. He was re-
garded indispensable for
collecting the arrears and he
seems also to have worked on
collecting them - Under these
circumstances, it seems only
just to ~~allo~~ sanction the
allowance recommended.
From Nov: 1908, an allowance
of Rs 5 per mensem has been
sanctioned to the Patel.
